You could not study for us each day. . . .
The knowledge you gave us did not stream
into our lives in one bright, blinding ray.
But you did plant a dream.

A dream of excellence that will spread and
grow into our eternities, an inspired scheme,
a gift of wisdom with an eternal flow. . . .
A light that will forever gleam.

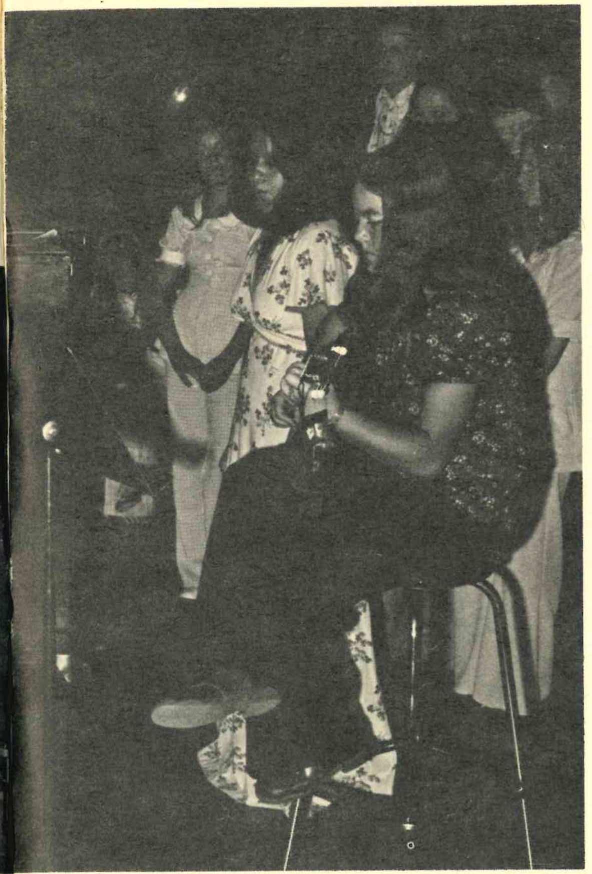
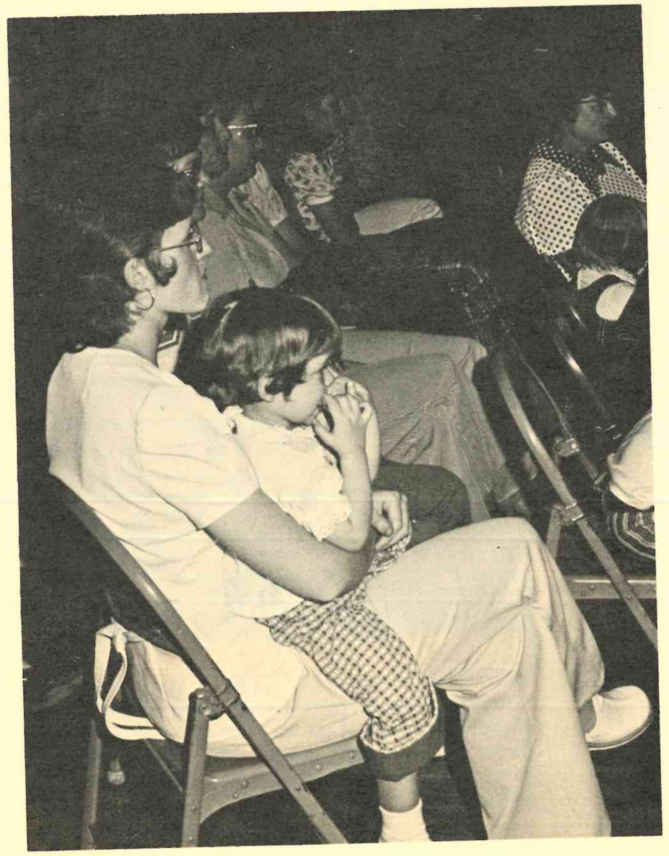
Big Concert of the Year

. . . Pops



In the spring of the year young and old alike enjoy the Joseph City High School's annual Pops Concert. The band plays, the chorus sings, along with various small group ensembles and solos. All can find music to their liking at this event.



Music Department Has Active Year

JCHS Music department began its active year preparing for football games and its second annual trip to the Arizona State Fair. Band members turned into witches and warlocks and invaded the State Fair grounds on Halloween Day. Two weeks later on a more serious note the band and chorus presented its Fall Concert, November 15. Then came the marching to prepare for the Holbrook and Winslow Christmas parades. The band brought home a second place award from the Holbrook parade. The pep band was busy during basketball games to liven up the action. Throughout the year the band and chorus were preparing programs for Veterans Day, Christmas, Dedication of new building and Graduation. Spring time is band time and the Spring Concert was all success. This year the regional Large Group Festival was held in Joseph City where the Joseph City Band took a Superior rating. The years ends with the annual Pops Concert on May 9th in which the band and chorus put on a lively show good-bye to their seniors members.

The Wildcat Spirit Machines

The cheerleaders started their preparation for the 1973-1974 year in July. The eight cheerleaders went to Douglas, Arizona from July 8-13. They attended I.C.F. (International Cheerleading Foundation) held at Cochise Junior College. The cheerleaders showed their determination and enthusiasm while they were there, when the Varsity Cheerleaders took Grand Champion and the Junior Varsity Cheerleaders took 2nd Squad. The Varsity Cheerleaders were awarded with sweaters and Pom Pons.

The Cheerleaders held many pep assemblies throughout the year for both the boys and girls sports. Some of the things included in the pep assemblies were many different varieties of skits, spirit bags, competition yells, and a spirit thermometer. The girls also decorated the buses on away games and the locker room on the home games.

The cheerleaders showed their enthusiastic support by taking turns cheering for the Basketball players and also for the Wrestlers. They attended the Invitational Tournament held in Blue Ridge with the Basketball players and they also went with the Wrestlers to Apache Junction for the Invitational Tournament held there.

On November 1, a Halloween film named "Hush, Hush, Sweet Charlotte" was shown. On December 7th and 8th, four members were sent to the Annual Student Council Convention which was held in Mesa. The Student Council sold "Be Safe Be Seen Kits" to the elementary kids, in the hopes of preventing possible accidents. A film was shown to the High School Students to remind them that driving can be dangerous. On March 22, the Large Group Music Festival was held in Joseph City and the Student Council prepared and served the evening meal. The Student Council has also, prepared handbooks which will be given out at the beginning of next school year.

Our New High School

Ground Breaking

In the year 1969-70, people talked about the possibility of Joseph City obtaining a 4 year high school. If passed, this would mean that no more students would be sent from Joseph City to Holbrook High School and there would have to be an increase in the amount of classroom space. In late 1969, the Joseph City Board of Trustees voted to hold an election in January of 1970. This was to let the patrons of the school decide whether or not to have a high school district. This issue was passed by the citizens. Next the Board called for an election to be held, requesting new building facilities. This election was held in May of 1970. The voters approved the issue and the Home Economics and Shop buildings were built. Surveys from Class 'C' schools were taken to determine their feelings on whether or not we should go into a 4 year high school system. In the Spring of 1972, the School Board began plans for a new high school, Elections were held June 26, 1972. A bond issue was passed financing the new high school. Ground breaking ceremonies took place on March 24, 1973. One year later, on March 23, 1974, the New Joseph City High School was dedicated.

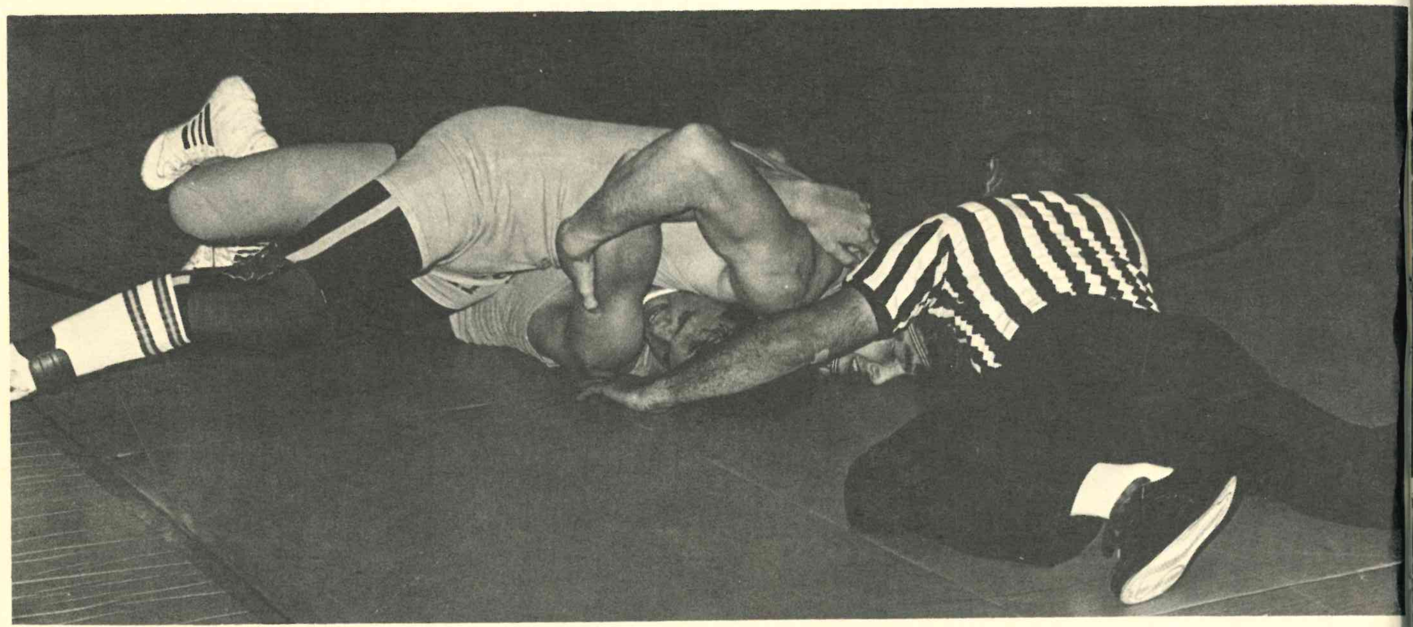
Matmen Attend Four Tournaments



Wildcat Review

The matmens' duel meet record was eight wins, one loss, and one tie. It was a good year for the matmen, considering they did not have a full team most of the time because of injuries. The matmen placed second at Apache Junction Invitational having two champions, Bob Young at 121, and Kevin Fish at 157; they gathered in one second place, Alan Bennett at Hwt.; four third places, Daryl Bennett at 100, John Wolfe at 107, Bob Randall at 114 and Sam O'Connell at 167. At the Joseph City Invitational, the team took fifth place and had one champion, Sam O'Connell at 185; two seconds, John Wolfe at 107, and Bob Young at 121; one third, Daryl Bennett at 100, and one fourth, Kevin Fish at 157. At the District Tournament, the Wildcats placed three, second places; John Wolfe at 107, Bob Young at 121, and Alan Bennett at Hwt. The Wildcats also brought home one third, Bob Randall at 114, and one fourth, Daryl Bennett at 100. At the State Tournament, the Wildcats were unfortunate and only Bob Young at 121 placed third. The Wildcats are expecting a good 74-75 season because they will only lose one senior, Kevin Fish.

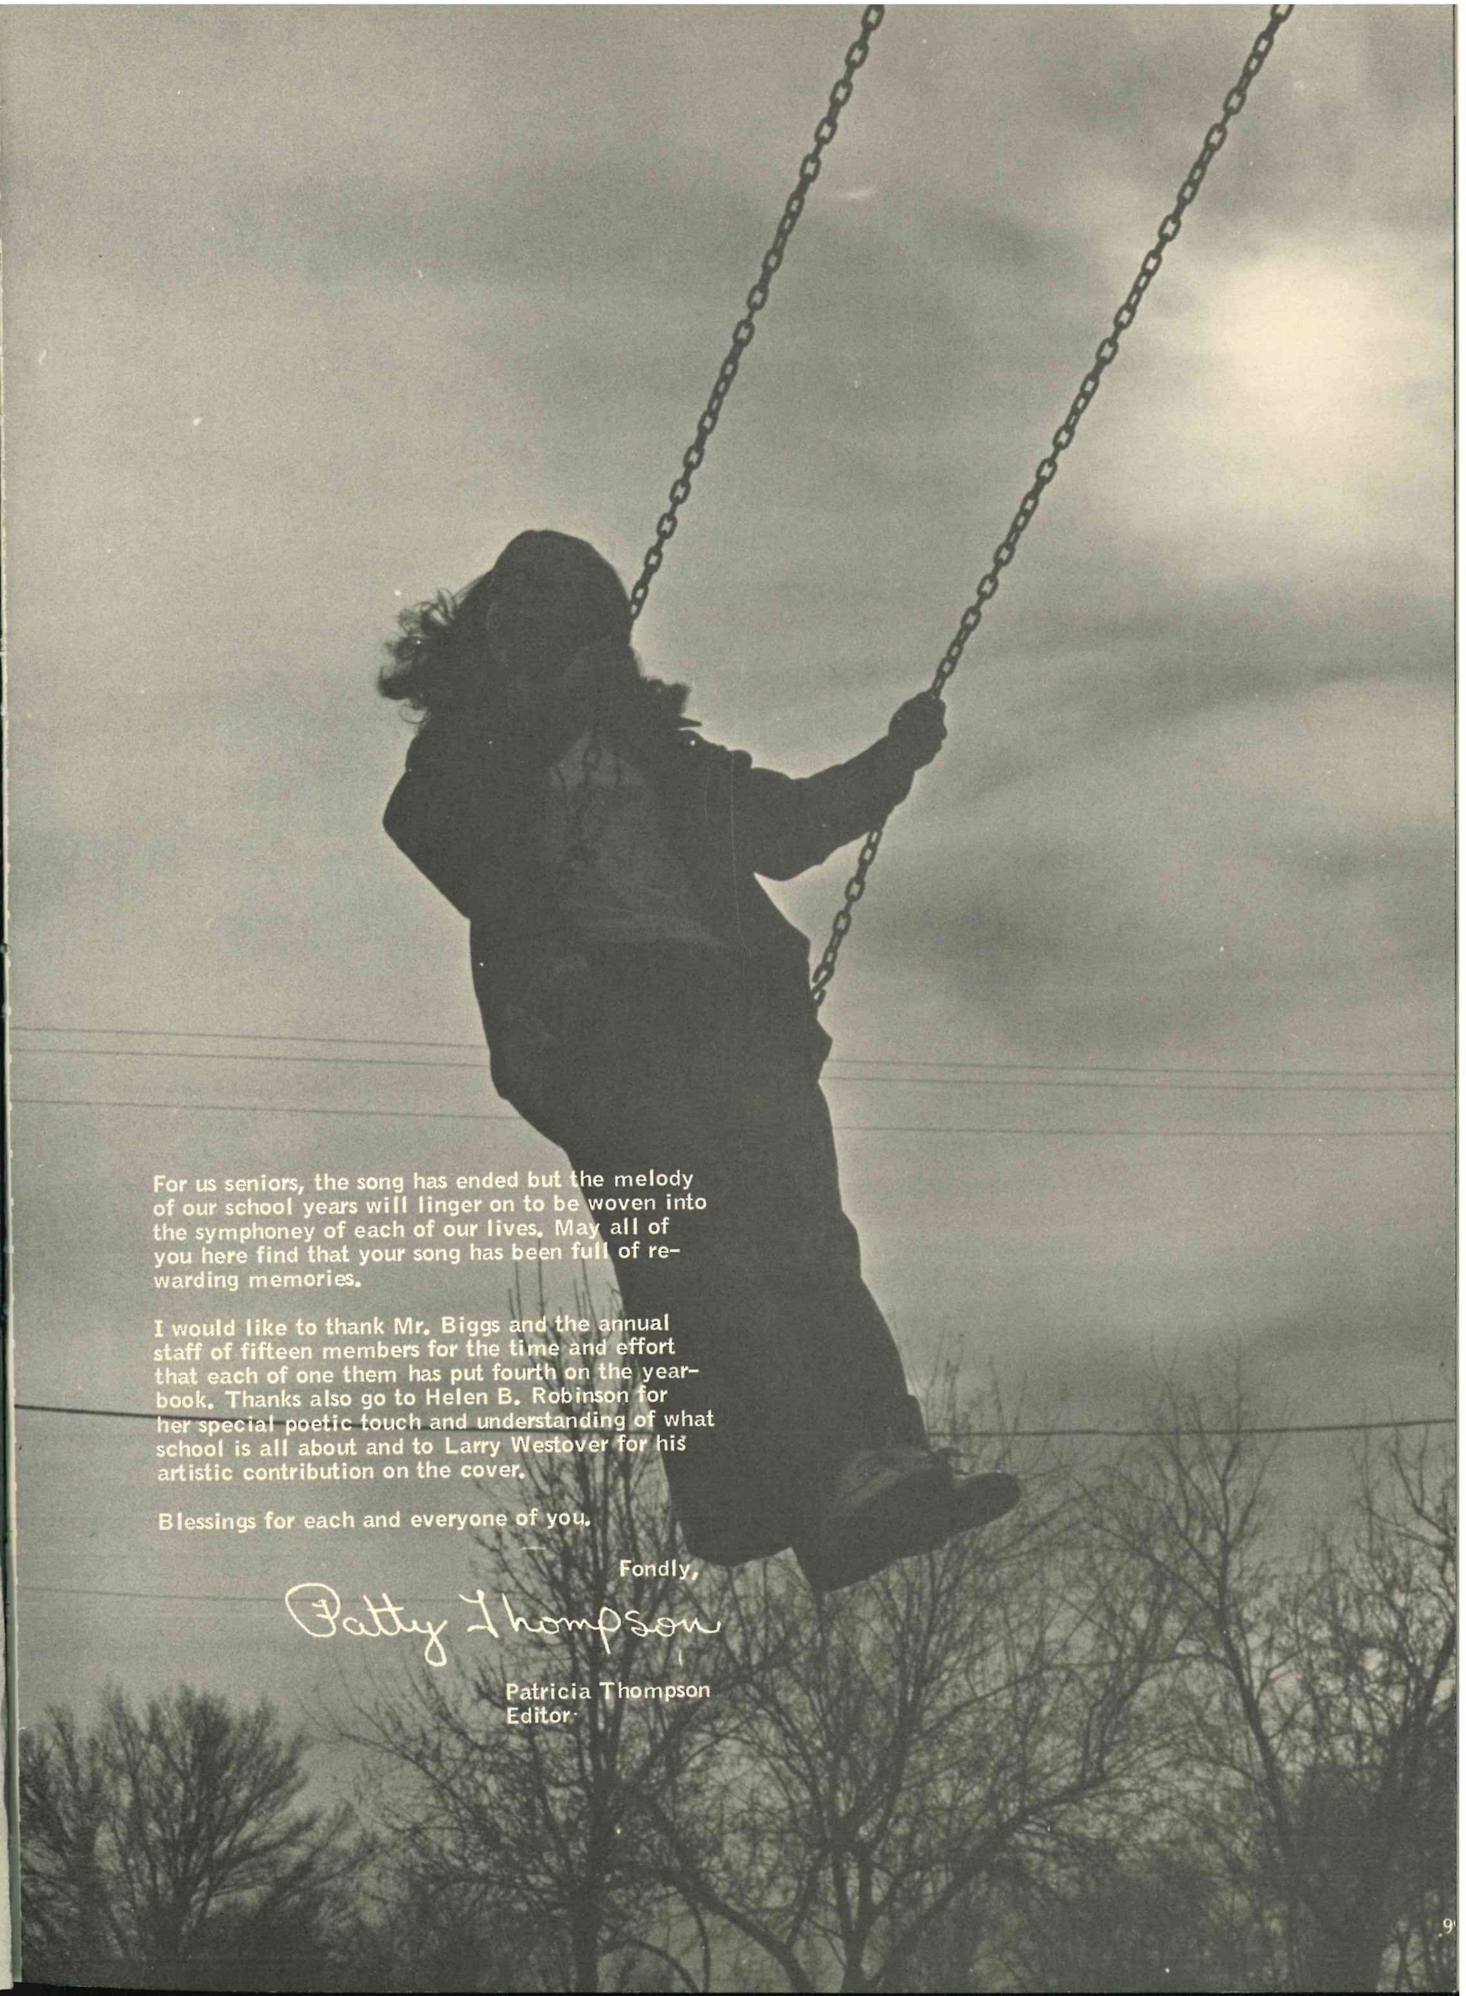
WINSLOW HOLBROOK

You are writing a Gospel
A chapter each day,
By deeds that you do
By words that you say.
Men read what you write
Whether faithless or true,
What is the Gospel according to You?



For us seniors, the song has ended but the melody of our school years will linger on to be woven into the symphoney of each of our lives. May all of you here find that your song has been full of rewarding memories.

I would like to thank Mr. Biggs and the annual staff of fifteen members for the time and effort that each of one them has put fourth on the yearbook. Thanks also go to Helen B. Robinson for her special poetic touch and understanding of what school is all about and to Larry Westover for his artistic contribution on the cover.

Blessings for each and everyone of you.

Fondly,

Patty Thompson
